

They come from all around with a desire to meet The Oracle. After one drink you see things as you wish they were. Another drop, you see things as they are not. Finally, you see things as they truly are. Beware weary traveller for all is not as it seems.. The guests who believe they cannot be deceived are in great danger; for all magicians know that the mind, not the eye, is where the deception lies. Your time has finally come to meet The Oracle

My dearest friend,

I must insist that you do not ask your host about the drink they call 'The Poison Chalice'. I can resist everything but temptation and during these trying times, my desires have once again defeated me. Curiosity led to this delirious morning and I urge you to stay away with all your might. I once wept for those with the misfortune to encounter nothing but water during their days, but now I anxiously await the news that you have, as expected, not learned from my mistakes.

Faithfully, yours

*Benjamin*
